The Human Resources Manager

Dear Sir / Madam

Re: **INDUSTRIAL INTERNSHIP: HARARE INSTITUTE OF TECHNOLOGY:
INFORMATION TECHNOLOGY DEPARTMENT.**

The Harare Institute of Technology offers a four-year Bachelor of Technology Honors Degree in Information Technology. For at least eight months of that period the student must be on Industrial Internship to gain hands on experience and familiarization with the real world. The Industrial Attachment is a mandatory requirement for the partial fulfillment of the degree programme.

It is against this background that the Information Technology Department is requesting your assistance in securing attachment in your organization for **Gavin Gapara Reg. No. H200544X**. Ideally, the internship period is from June 2022 to June 2023.

For further information do not hesitate to contact the undersigned at wmakondo@hit.ac.zw or the School Administrator at sharuzivishe@hit.ac.zw

Your assistance is greatly appreciated by the Institute.

Thank you.

W Makondo (Mr)

A/Chairperson, Information Technology Department
